Meeting date: June 26, 2019

Location: GPD Training Room

Members present: Chief Normand Crepeau – Chair, Daniel Pogorzelski, Paul Cournoyer, John Bechard, Scott Rossiter – Secretary.

Meeting called to order 7:04 PM

The Chief noted that he had made attempts to contact all citizen petitioners to remind them of the meeting. Petitioners present included David Libbey, Wayne McAuliffe, Shirley White, Mary Nolan

New Business:

1. Request from Ken Holberger for “Hidden Driveway” sign on Old Upton Rd.

A motion was made to place a “Hidden Driveway” sign on Old Upton Rd. approximately in the location requested at the discretion of the DPW MMSP (5-0)

2. Request from Barbara Gannon for “Blind Person” sign on Usher Rd.

A motion was made to place a “Blind Person” sign in the vicinity of 8 Usher Rd. at the discretion of the DPW when the petitioner provides a confirming letter from a recognized medical provider. MMSP (5-0)

3. Request from Wayne McAuliffe and Shirley White for “Stop” sign on North Brigham Hill Rd. at Wheeler Rd. and pedestrian signage on Wheeler Rd.

Following discussion of vehicles speeding past the turn from North Brigham to Wheeler only to get stuck at the dead end of North Brigham a motion was made to install a “Stop” sign northbound on North Brigham at the intersection of Wheeler and refresh the existing “Dead End” sign if necessary. MMSP (5-0) Following discussion of the 8000 volunteers working annually at Community Harvest Project and crossing Wheeler Road to access remote fields a motion was made to install “Pedestrian” signs east and westbound on Wheeler road in the vicinity of the Brigham Hill Farm driveways at the discretion of the DPW. (MMSP 5-0)

4. Request from Steve Reichle for “Handicap” signs in front of the Baptist Church 1 South St.

Following discussion about restricting parking during church services no action was taken and the Chief encouraged Mr. Libbey to contact him directly to discuss options.

5. Request from Mary Nolan for raised crosswalks on Main St. near Mill Village Park and restricted parking on Sampson St.

Following discussion about the ability for emergency vehicles to pass freely on Sampson St. and the tight turn at the south end of the street a motion was made to restrict parking on the west side of Sampson Street. MMSP (4-0-1) Following discussion of raised crosswalks in Wellesley and their use to control the flow of traffic the committee took no action.

6. Police request for “Slow Curve” sign on Westboro Rd.

Following discussion about limited site issues traveling from Waterville St. to Westboro Rd., a motion was made to install a “Slow Curve” sign on Westboro Rd. (MMSP 5-0)

Old Business:

MMSP (5-0) to accept the minutes of the January 9, 2019 meeting as presented.

Adjourn:

MMSP (5-0) to adjourn at 8:15 PM
